The Democrats at first thought that they would shove to amondments to the McKinley bill, when the proposi-tion for a relate on tobacco came from the Ways and Means Committee. They have, however, decided to refrain from this course, and to get their work on the Hawaiian bill When that measure comes up there will be proceedings indeed.

Free sa't, free lumber, free raw matertal and everything else in the exte-gory of the tariff reformers will be burled at Mr. McKinley and his lieu tenants. It is unnecessary to state that this programme will keep a good many stremed Republicans very busy.

Representative Goodnight, that able oung Congressman from Kentucky, soks so much like a certain momber of the Cabinet that it is calculated to give folks the heart disease. When Mr. Goednight was on his way back to Washington to cuter upon his ardnow duttes here there plumped down beside him on the car seat a Republican. He was a used Republican, tec. It was the November elections that made him mad.

This Mr. Goodnight soon found out, for our mad. Republican was very communicative. He told Mr. Goodnight that the McKinley bill, and Democratic lies thereupon did the business which by ulaifed the police returns, and their had they had tabulated the police returns, and that they the course of some of the Republican

happened to occur. He sahl: "You see, the other day some one insilvertently referred to Storrett as William, and he immediately took up a new mission in life. In other words, Bill Stor-

The members of the House subcommittee in charge of the District of Colombia Appropriation bill having concluded their examination of the eslimates in consection with the Cou-mingloners, will devote their session on Monday next, from 9-30 until 12 o'clock noon, at the rooms of the House Committee on Appropriations, to hearing citizens of the District who have any statements to make with ref-erence to charities or other matters pertaining to the District appropriations.

At 12:15 o'clock Mr. McClammy of North Carolina, who had just arrived in the city, walked down the able, with his handkerchief to his eyes, to greet the Speaker. Having been defeated for renomination, the North Carolinian felt in a sympathetic mood. He desired to mingle his tears with those of the gentleman from Maine.

Representative O'Farrell of Virginia is not a candidate for the Speakership. be envoy extraordinary and minister plenipotentiary of the United States to the Central American States.

William Monaghan of Ohlo, to be consul of the United States at Hamilton, Canada. To be collecter of customs—Sherman many people who have spoken of me favorably in connection with the Speakership, but I have no ambition in that

> One of the features of the Senate debate on the Force bill promises to be a speech by Senator Ingalis. He is loaded with acrimony and is ready to go off at a moment's notice. He will not pursue that course, however, be-cause he always lets the public know beforehand when ne is going to talk, so that he may have a big audience. What lends additional interest to his forthoming effort is the fact that, as is understood, he intends to say something in regard to the contents of recent letters which Mr. Cleveland wrote about

without changing countenance. After shaking hands Mr. McClammy wrode back to his seat, stopping on his way to be concratulated by admiring Demo-crats. He was the "observed of all observers' for the time being. The fact that he is a candidate for Clerk of the next House does not detract from the opportuneness of his action.

The atter impracticability and inability of a measure do not deter a statesman from reading from it a real boom. Take Senator Stanford's rehems, that the Government lend to farmers money upon their real holdings at a money upon their real holdings at a rate of 2 per cent. The wildest-minded individual in Congress would never entertain the idea that this scheme could be carried out. But from it Mr. Stanford has secured much approciation. It, with money—his or nome-bady eiges—enabled him to hold Callformin up dry by the tall while the No-vember tidal wave was drenching about everything eise. It was a good thing for Mr. Stanford, aus Mr. Stanit. He to day again put in his cele-

At a meeting to day of the House Committee on the Judiciary it was agreed to make a favorable report on a House bill dividing the judicial district

The Rouse District Committee to day critered a favorable report on House resolution 242. It provides that any two of the Commissioners of the Distriet of Columbia, sitting as a board, shall constitute a querom for the trans-

An amendment was recommended, accepting the action of the board as to

The amendment requires the consenting action of the entire board. The bill further provides that the senior officer of the Engineer Corps of the Army, on duty at the time, shall act

n the absence of the Engineer Com-The House Committee on the Eleventh Census gave a hearing this morning to a delegation from New York city who appeared to targe a new census commercial of that city, as asked in resolutions introduced in the

House by Representatives Cummings and Flower. John M. Bowers of New York was succeived as spekersinin of the delegation. He said, for even if a free column bill should mass the President testinative Plower's resolution.

He referred to the different acts of Congress by which the census has been taken since 1790 up to the present thue, and argued on the facilities for investigation under them. When the Consus Office aunousced the census of the city, he said, it was a disappointment. but it was not doubted until brought to the attention of the Board of Health by the death rate. The police causes alon

utated the police returns, and that they muce correct as presented in the Counts twice. The remain of the Second ward, as shown by the Federal Counts, was ope. 927 and the poller commutation gave it death. 'He's a population of 1.349.

Superintendent Porter was present to day and wished to Speak. He will answer Mr. Bowers to morrow.

The preceedings of the House on August 9 last were collisized by the fr reduction of a resolution by Mr. Ri-on of Tennessee, providing that Georg Minet, a dowkeeper of the House show be brought before the bar of the House and censured for assaulting Mr. Ralo n explanation of his resolution M: Enlor said that he had entervored to pure from the floor of the House during a call and that Minet had used violen means to restrain him. Minot claims can Mr. Folios said that Speaker Ross had directed him to prevent member leaving the House during a call.

The resolution was referred to the Judiciary Committee for action, and to-day the sub-committee having charge of the matter reported on it to the full committee.

The report, which was adopted by the full committee, states that the sub-committee found Mr. Euloe's statement of the affair to be correct, excepting that the means used by the doorkeeper were not violent, and it recommends that the resolution lie on the table.

accordance with what he believed to be

Among the petitions presented to the Senate to day was a memorial of the Merchanta' Exchange of St. Louis urg-ing the passage of the bill to appropriate \$9,000,000 to levee the Missisappi River. Also resolutions of the Chamber of Commerce, New York, and the Board of Trade, Chicago, opposing the passage of the Conger Lard bill.

There was a meeting to day of the Senate District Committee, at which Senators Ingalts, McMillan, Harris, Higgins, Vance and Barbour were present. The bill constituting two members of the Board of District Com-The Speaker shook hands with him and action upon it postponed until the libent changing countenance. After next meeting. There is no doubt that the count's decision that, in only that it may be legal, all three members of the board must pass upon a matter. The expressions that came from the members of the committee to day Insures this. On the various bills or lading to the incorporation of trust com-punies in the District of Columbia is was decided to make adverse reports, because the general bill on the subject
